Information: Section 319(h) project funds are restricted to implementing activities included in EPA-approved Implementation Plans (IPs) with specific geographic areas. This table lists the 319(h) funding eligibility status of IP areas. The table may be updated as new IPs are approved. IPs must be submitted to EPA for review by 8/31/2021 and approved by 12/1/2021 in order to be eligible. **Grantees with a current award or who will be starting a new project on or after 10/1/2021, should not apply to the same Implementation Plan area.** Contact the regional Project Manager or NPSgrants@deq.virginia.gov for more information.

To obtain a copy of the IP, visit the website below or contact ashley.wendt@deq.virginia.gov:
